

General Regulations for the holding of Exhibitions at GRC Floriana

- (a) A charge of Euro 10 per day is to be paid for the use of the exhibition rooms (Saturdays, Sundays and Public Holidays excluded). Minimum charge for any single event is Euro 100 and artist is expected to donate one of the pieces on display to FoE Malta. A non-refundable deposit of 50% of the fee due is to be paid upon signing of agreement form. Balance is to be settled at least 24 hours prior to the opening of the event. This fee may be waived upon approval by FoE Malta's board.
- (b) The exhibits will remain on display only until such time and date as agreed beforehand between the artist and Friends of the Earth Malta.
- (c) The exhibition will be open to the public free of charge only during the normal opening hours of the Friends of the Earth Malta.
- (d) The exhibits will be on display at the sole risk of the exhibitor and it is clearly understood that the Friends of the Earth Malta is not responsible for any loss or damage whatever the origin.
- (e) The transport, framing and setting up of the exhibits (and their subsequent removal) will be the responsibility of the artist.
- (f) The Friends of the Earth Malta allows the sale of the exhibits while on display. Friends of the Earth Malta does not charge any commission on the works of art sold.
- (g) Direct fixing of display material onto the walls and/or service trunking is not allowed.
- (h) The artist will be responsible towards the reimbursement of expenses incurred by way of damage to FoE Malta's property arising out of actions - wilful or accidental related to the Exhibition.
- (i) The organization of an official opening event to the Exhibition is the sole responsibility of the artist but prior approval has to be obtained from FoE Malta with regards to the date, to the person who will be invited to open the Exhibition, catering arrangements and to the actual programme content of the opening event.
- (j) Friends of the Earth Malta requests that catering service is vegetarian and in line with FoE's principles (e.g. no single use plastics, food waste to be kept at a minimum). Such plans need to be discussed prior to the official opening and be approved by FoE Malta.
- (k) The interpretation and decision of Friends of the Earth Malta will be final and binding on these conditions and on any other matter not here mentioned.
